 Fisher, H, A Aron, DJ Mashek, G Strong, HF Li, and LL Brown. Motivation and Emotion Systems Associated With Romantic Love Following Rejection: An fMRI Study. Program No.660.7.2005 *Abstract Viewer/Itinerary Planner.* Washington, DC: Society for Neuroscience, 2005. Online.
- 2005:  
The Drive to Love: A Neuroimaging Study of Romantic Love and the Role this Brain System Plays in World Patterns of Sexuality, Marriage and Divorce, Romantic Addiction, Crimes of Passion and Depression associated with Rejection in Love. State of the Art Lecture at annual meeting of the International Society for the Study of Women's Sexual Health (ISSWSH) Los Vegas, Oct 27-30
- 2005:  
Lust, Romance, Attachment: do serotonin-enhancing antidepressants jeopardize courtship, romantic love, marital attachment and fertility? In symposium, Romantic Love: A culturally approved state of psychosis?" At the annual meeting of the International Society for the Study of Women's Sexual Health ( ISSWSH), Los Vegas, (Oct 27-30)
- 2005:  
The Drive to Love: A Neural Mechanism for Mate Choice. Medical University of Innsbruck, Austria (Oct 7)
- 2005:  
Lust, Romance, Attachment: A neuroimaging study of romantic love and its implications for crime and punishment. US District Court for the Eastern District of New York, SUNY Stony Brook, (Sept 25)
- 2005:  
Love and Addiction: Keynote for symposium, CompassPoint Addiction Foundation (Dr. Patrick Carnes) (July 16)
- 2005:  
The Neural Mechanisms of Romantic Love, by Helen Fisher, Arthur Aron and Lucy L. Brown. paper presented in neuroscience conference: Anatomy of the Soul. Ameland, The Netherlands (May 19-25)
- 2005:  
The Drive to Love: An fMRI study of Romantic Love. Keynote, Annual convention, Portland, OR. American Association of Sex Educators, Counselors and Therapists (May 14)
- 2005:  
The Brain in Love: The nature of romantic love, marriage and divorce. Keynote, Annual

- convention: Ottawa Couple and Family Institute, Ottawa, Ontario Canada (May 12)
- 2005:  
The Drive to Love: An fMRI study of Romantic Love. Grand Rounds, University of Texas Health Science Center, San Antonio (May 3)
- 2005:  
The Drive to Love: An fMRI study of Romantic Love. Keynote, Psychology Conference University of Scranton, Scranton PA (April 16)
- 2005:  
The Drive to Love: An fMRI study of Romantic Love. Grand Rounds, Dept. of Psychiatry, St. Vincent's Hospital, NYC (April 21)
- 2005:  
The Drive to Love: An fMRI study of Romantic Love. Grand Rounds, Dept. of Psychiatry, Robert Wood Johnson Medical School/UMDNJ Camden Campus (April 5)
- 2005:  
Do Antidepressants Jeopardize Romantic Love, Marriage, and One's Genetic Future? Keynote: Love & Intimacy: the couples conference. Milton H. Erickson Foundation. (March 5)
- 2005:  
The Drive to Love: An fMRI study of Romantic Love. Grand Rounds, Dept. of Psychiatry, Montefiore Hospital, NYC (Feb 17)
- 2005:  
The Drive to Love: An fMRI study of romantic love and its interactions with the other primary mating drives, lust and attachment. Evolutionary Psychology Pre-conference, Annual meeting: Society for Personality and Social Psychology, New Orleans, (Jan 20).
- 2004:  
The Brain in Love: An fMRI study of Romantic Love. Grand Rounds, Dept. of Psychiatry and Behavioral Sciences, Beth Israel Medical Center, NYC (Nov 18)
- 2004:  
The Brain in Love: An fMRI study of romantic love and the role this brain system plays in worldwide patterns of adultery and divorce, crimes of passion and depression associated with rejection in love. Colloquium in Evolutionary Psychology, Dept. of Psychological Sciences, Purdue U, Indiana (Oct 29)
- 2004:  
The Drive to Love: An fMRI study of human romantic love. Keynote; Fall conference. New Jersey Psychological Association, West Orange, NJ (Oct 15)
- 2004:  
Broken Hearts: The nature and risks of romantic rejection. *Symposium:* Romance and Sex in Adolescence and Emerging Adulthood: Risks and Opportunities. Population Research Institute and the Consortium for Children, Youth and Families; and the National Institute for Child Health and Human Development. Penn State U. Oct 12-13.
- 2004:  
The Brain in Love: The love addict. Keynote for symposium: Innovation and Integration: Creating a Culture of Healthy Sexuality. National Council on Sexual Addiction and Compulsivity and Vanderbilt University School of Medicine, Washington, DC (Oct 7)
- 2004:  
An Evolutionary Perspective on Couples Sexual Health: keynote for conference: Women's Sexual Health—A State of the Art Series, The Berman Center & Northwestern University, Chicago, (Sept 11)
- 2004

- Do the Sexual Side-Effects of Antidepressants Jeopardize Romantic Love and Marriage?  
(with J. Anderson Thomson). Paper presented at the annual meeting of International Society for Human Ethology, Holland, July 25.
- 2004  
Do the Sexual Side-Effects of Antidepressants Jeopardize Romantic Love and Marriage?  
(with JA Thomson). Paper presented at the annual meeting of the Human Behavior and Evolution Society, July 21, Berlin.
- 2004:  
Why We Love: The Nature and Chemistry of Romantic Love: Keynote for Psychotherapy Networker Symposium, Hollywood, CA. (June 11)
- 2004:  
The Brain in Love: An fMRI study of romantic love. The William Alanson White Institute NYC. (June 1 )
- 2004:  
“Do the Sexual Side Effects of most Antidepressants Jeopardize Romantic love and Marriage?” In symposium: Sex, Sexuality, and Serotonin. At the annual meeting of the American Psychiatric Association (May 1)
- 2004:  
“The Brain in Love: An fMRI study of romantic love and the role this brain system plays in worldwide patterns of marriage and divorce, crimes of passion and the depression associated with rejection in love. Special Lecture at the annual meeting of the American Psychiatric Association, NYC. (May 6)
- 2004:  
Why We Love: The Nature and Chemistry of Romantic Love. Keynote for conference: “Challenging Couples, Challenging Therapists: The Couples Conference” sponsored by The Milton H. Erickson Foundation, (Los Angeles, March 26)
- 2004:  
Why We Love: The Nature and Chemistry of Romantic Love: Keynote for annual Psychotherapy Networker Symposium, Washington DC (March 5)
- 2003  
Lust, Romance, Attachment: The Brain Chemistry of the Three Primary Mating Emotions and Their Impact on contemporary sex and family life: Keynote at conference: The Anatomy of Intimacy: Attachment, Differentiation and the Biochemistry of Love. U. Cal Irvine. The Lifespan Learning Institute. Nov. 8.
- 2003  
The Drive to Love: An fMRI study of romantic love and the impact of this primary mammalian mating drive on human patterns of sexuality and marriage. Conference at the National Institutes of Health, Washington DC, October 14<sup>th</sup>.
- 2003  
Lust, Romance, Attachment: The Brain Chemistry of the Three Primary Mating Emotions and Their Impact on Crime and Punishment. Keynote for annual meeting, of the Society for Evolutionary Analysis in Law (SEAL). October 3.
- 2003  
The brain chemistry of romantic attraction and its positive effect on sexual motivation. International Academy of Sex Research, Kinsey Institute, U. Indiana. July 18.
- 2002  
The Neural Mechanisms of Mate Choice, Human Behavior and Evolution Society, annual meeting, June 20.
- 2001

Biology, Culture, Gender, Personality: How Margaret Mead's Ideas Have Come of Age.  
American Anthropological Association, Annual meeting. Nov 29.

2001:

Lust, Attraction, Attachment: brain circuits and evolutionary adaptations Keynote:  
Crosscurrents 2001 Conference, Dept. Anth, Rutgers U.: Current Research and Shifting  
Paradigms within Interdisciplinary Anthropology. March 3.

2001:

The International Sex Slave Trade: Biological Foundations, Cultural Forces: Sponsored by:  
The Gruter Institute for Law and Behavioral Research. at: The Hastings College of the Law,  
University of California. Feb. 9<sup>th</sup>.

2001:

Lust, Attraction, Attachment: brain circuits and evolutionary adaptations Keynote: Love  
and Intimacy: The Couples Conference. Sponsored by The Milton H. Erickson Foundation,  
Inc. San Francisco, Feb 10.

2001:

Lust, Attraction, Attachment: brain circuits and evolutionary adaptations. Keynote: Robert  
Wood Johnson Human Sexuality Program, Robert Wood Johnson Medical School.  
University of Medicine and Dentistry of New Jersey. Jan. 4<sup>th</sup>.

2000:

Wired for Love: The Influence and Consequences of Love's Biology  
C.G. Jung Institute of Chicago, April 7.

1999:

Lust, Attraction, and Attachment: Brain Systems for Love. North American Sexual Health  
Management Symposium. Keynote address. NYC

1999:

Lust, Attraction, and Attachment: Brain Systems for Love. New Perspectives in the  
Management of Female Sexual Dysfunction: Boston University School of Medicine and the  
Department of Urology. Grand Master Lecture, October 22

1999:

The First Sex: The Natural Talents of Women and How They are Changing the World.  
New York Academy of Sciences. Women in Science section. Oct. 14<sup>th</sup>.

1999:

The Nature of Free Will: The State of the Nature/Nurture Controversy in the Year 2000 in  
"Darwin's Second Century," symposium at the annual meeting of the The World Future  
Society, July 30.

1999:

Lust, Attraction, Attachment: An Evolutionary Perspective. Keynote: Robert Wood  
Johnson Human Sexuality Program, Robert Wood Johnson Medical School. University of  
Medicine and Dentistry of New Jersey. Jan. 4<sup>th</sup>.

1998:

Lust, Attraction and Attachment in Mammalian Evolution: neurological correlates and  
evolutionary functions. American Anthropological Association, annual meeting. Dec.4

1998:

The Neurophysiology of Lust, Infatuation and Attachment: Drive Theory Revisited. The  
Association for Psychoanalytic Medicine, November 3

1998:

This Thing Called Love. Keynote address for The Milton H. Erickson Foundation  
Conference: Brief Therapy: Lasting Impressions. NYC Aug 27<sup>th</sup>.

1998

- Lust, Attraction, Attachment: Neural correlates, functions and evolution of the three primary mating emotions in mammals. at 16th annual SUNY Symposium on Molecular Biology: Sex, Development and Evolution. SUNY Stony Brook May 18,.
- 1997  
The Evolution of Gender Differences in the Brain  
 In "Biological Perspectives in the Social Sciences" Gruter Institute for Law and Behavioral Research and the Nelson A. Rockefeller Center for the Social Sciences at Dartmouth College; Faculty Seminar. August 3
- 1997  
Lust, Infatuation, Attachment: The Family from the Grasslands to the Future.  
 Keynote at *Attention to the Child*. Sponsored by the Family Court Services Statewide Educational Institute, Judicial Council of California. March 22.
- 1997  
Lust, Attraction, Attachment: The three primary mating emotions in mammals and male/female differences in *Homo*. American Association for the Advancement of Science. Feb. 13-18.
- 1996  
"The Brain Physiology of Gender, Sex and Love" Keynote at conference for U.S Federal Judges of the First Circuit Court, Hyannis, MA, Oct. 3.
- 1996  
"Human Sexuality in Evolutionary Perspective" to the Board of Directors of SIECUS: The Sexuality Information and Education Council of the United States. Sept. 27.
- 1996  
"Lust, Infatuation, Attachment: A preliminary investigation of the neurohormonal systems associated with the three primary reproductive emotions in mammals and their evolution in the genus *Homo*." National Institute of Health, Animal Center, June 24.
- 1996  
"Sex and Love in Midlife" New School for Social Research, NYC June 6.
- 1996  
"The Brain Physiology of Gender, Sex and Love" at conference held for U.S Federal Judges by The Gruter Institute at Dartmouth College, May 15
- 1996  
"Love, Sex and Gender: How Culture and Brain Physiology Interact" conference: Contemplating Sex: Inferences, Strategies, Meanings; Rutgers University, March 23.
- 1995  
"Human Divorce Patterns and the Future of the Family"  
 Plenary session, American Sociological Association annual meeting, Aug 21.
- 1995  
"Human Divorce Patterns: How neural mechanisms in the brain influence divorce and interact with American divorce law." Human Behavior and Evolution Society annual meeting, June 30.
- 1995  
"The Evolution of Human Gender Differences and Their Relevance to Contemporary Issues"  
 In "Biological Perspectives in the Social Sciences" Gruter Institute for Law and Behavioral Research and the Nelson A. Rockefeller Center for the Social Sciences at Dartmouth College; Faculty Seminar. August 8
- 1994  
"Evolution of Behavior: Marriage, Adultery and Divorce" in *The Biology of Human Behavior*, Cold Spring Harbor Laboratory Executive Conference, Cold Spring Harbor, NY..

- 1994  
"The Evolution of Human Gender Differences and Their Relevance to Contemporary Issues"  
 In "Biological Perspectives in the Social Sciences" Gruter Institute for Law and Behavioral Research and the Nelson A. Rockefeller Center for the Social Sciences at Dartmouth College; Faculty Seminar, July.
- 1994  
"Anthropological Aspects of Marital Relations" in "Nuevas Relaciones Y Desafios Entre Las Personas," conference in San Lorenzo de El Escorial, Spain, sponsored by la Universidad Complutense.
- 1993  
"The Evolution of Human Sexuality and Its Relevance to Contemporary Issues"  
 In "Biological Perspectives in the Social Sciences" Gruter Institute for Law and Behavioral Research and the Nelson A. Rockefeller Center for the Social Sciences at Dartmouth College; Faculty Seminar, July.
- 1992  
"The Evolution of Human Sexuality" Gruter Institute for Law and Behavioral Research, Teaching Seminar, Squaw Valley, CA. June 18-25.
- 1991  
"To Popularize or not to Popularize: What's the Problem?"  
 American Anthropological Association, Annual Meeting, November.
- 1990  
"Evolution of Gender Differences in the Brain: Implications for the Ethology of Intimacy"  
 American Anthropological Association, Annual Meeting, Nov 30.
- 1990  
"Evolution and Future of Marriage, Sex and love" Plenary Address. Society for the Scientific Study of Sex. Nov.1-4
- 1990  
"Bringing Anthropology to the Public: Ethical Concerns and Media Constraints"  
 American Anthropological Association, Annual Meeting. Nov. 28-Dec 1.
- 1990  
"Evolution of Gender Differences in the Brain: Implications for the Ethology of Intimacy"  
 Human Behavior and Evolution Society, Aug. 16.
- 1989  
"Practicing Anthropology on Television: Myth and Reality"  
 American Anthropological Association, Annual Meeting, Nov. 14-18.
- 1989  
"Ecology of Human Monogamy: Gender Relations in A. afarensis"  
 In "The Archeology of Gender" (Conference) University of Calgary, Nov. 9-12.
- 1989  
"Evolution of Human Serial Pairbonding" The Human Behavior and Evolution Society, Annual Meeting, Aug 25-27 1989
- 1989  
"Evolution of Monogamy, Adultery and Divorce: How Gender Perspectives Skew the Data."  
 Feminist Perspectives in Anthropology: A symposium, Hunter College, April 15, 1989
- 1988  
"Anthropological Perspectives on Present Trends in Western Family Life"  
 Seminar on the Future of the Family. Liberal Forskningscenter, Lifo. Oslo, Norway.
- 1988  
"Mind, Body and Symbol: The Links Between Sex and Gender"

- Discussant, American Anthropological Association, Annual Meeting.  
1987  
"The Evolution of Human Sexuality: How Anthropologists and the Public Interact to Formulate the questions and answers." American Association of Physical Anthropologists, Annual Meeting.
- 1986  
"Human Patterns of Divorce in Evolutionary Perspective"  
Man and Beast Revisited, Conference of the Smithsonian Institution.
- 1986  
"Evolution of Divorce"  
American Anthropological Association, Annual Meeting.
- 1986  
"Anthropology in the Media"  
American Anthropological Association, Annual Meeting.
- 1985  
"Altricial Neonates and Hominid Sexual Evolution: Modern Consequences"  
American Anthropological Association, Annual Meeting.
- 1985  
"Popularizing Anthropology: Myth and Reality"  
American Anthropological Association, Annual Meeting.
- 1985  
"The Evolution of Adultery" Northeastern Anthropological Association, Annual meeting.
- 1984  
"The Origin of The Human Female Mosaic Reproductive Strategy"  
American Anthropological Association, Annual Meeting.
- 1983  
"The Loss of Estrous Periodicity in Hominid Evolution"  
Society for the Scientific Study of Sex, Annual Meeting.
